**Forget keeping records; You can now keep track of your employee's attendance and work time through the HRMSuite.com -Time and Attendance module**

The HRMSuite.com Time Attendance system is electronic attendance system in which every employee makes their attendance either through T/A devices or through log in module of software rather than using attendance book. The system tracks all employee related details including over-time, under-time, leave etc.

**Free 6 months  
Subscription on  
purchase of any HARATI  
Time Attendance  
Device**

The software works in integration with several attendance devices based on RFID, Fingerprint, Face Scanning devices etc. You can either use HARATI brand several models Time Attendance machines or other third party devices.
