You can use Excel; you can be an excellent Workforce Management Manager!

## HS13-011 Fingerprint Time Clock

### Introduction

HS13-011, with SSR report (Self-Service-Recorder) stored in the time clock, it is the best choice for small chain stores. You can redact the employees' information and arrange shifts simply and easily in Excel format. Via USB disk or SD card, complex wire connection and IP setting can be avoided. It has been designed with ergonomics structure, extremely thin and slim. 3 inches TFT can display more information vividly, including fingerprint image quality and verification result etc.
